

TRINITY COLLEGE INSTRUCTOR'S PERMISSION TO AUDIT A COURSE

To audit a course in Trinity College, a student must have written permission of the instructor and submit that permission to the Registrar's Office before the end of drop/add. Once enrolled in a course for regular credit, the student cannot change it to an audit after drop/add. Similarly, after drop/add, a course taken on an audit basis may not be changed to a course for regular credit. Physical education, studio art, applied music, dance technique, or performance courses may not be audited. A course audited may not later be taken for credit. Courses taken on an audit basis do not fulfill any curriculum requirements.
