

UNC-Chapel Courses Pre-approved for Enrollment for Robertson Scholars

The following is a list of courses for which Robertson Scholars previously received approval to enroll. If known, the approving department is noted, as are specific Duke equivalents if assigned by the applicable DUS.

Departmental approval is not required for registration in courses on this list for students interested in elective credit or, if noted, credit for a specified equivalent.

Students desiring a specific equivalent or an alternate equivalent than that indicated must obtain permission from the DUS in the department most closely affiliated to the UNC subject.

IMPORTANT NOTE: These equivalents are applicable only to Robertson Scholars. They do NOT apply to students taking courses through the Interinstitutional Program.
