

## COURSE AUDIT FORM

To audit a course in Pratt or Trinity College, a student must have written permission of the instructor and submit that permission to the Registrar's Office before the end of drop/add. Once enrolled in a course for regular credit, the student cannot change it to an audit after drop/add. Similarly, after drop/add, a course taken on an audit basis may not be changed to a course for regular credit. **Physical education, studio art, applied music, dance technique, or performance courses may not be audited by undergraduate students.** A course audited may not later be taken for credit. Courses taken on an audit basis do not fulfill any curriculum requirements, but they do count as part of your course load.
