PROGRAM DESCRIPTION

Please describe your plan for the IDM, focusing on your academic interest across the two disciplines, and explain your rationale for choosing an IDM over a traditional departmental or program major, a double major, or a major and a minor. You need to demonstrate a clear understanding of your academic interest and how an interdisciplinary approach can enhance your understanding of those topics. Please be noted that an IDM is not meant to be a pre-professional major but rather an interdisciplinary academic interest. (Attach a separate sheet if necessary or if you prefer)
